

# YOUR MEETINGS. YOUR CHOICE.

COMPLIANT, SELF-SERVICE SYSTEM THAT GIVES YOU  
THE POWER OF CHOICE WHEN BOOKING MEETINGS

## SIMPLE MEETINGS MADE EASY

The needs of people managing meetings and events is changing. Sourcing simple meetings shouldn't be difficult. It should be, well, simple. Our **Simple Meetings** tool empowers users and instantly addresses their meeting needs with group booking and venue sourcing at their fingertips.

## POWER OF CHOICE

While cost savings, compliance and tracking is still critical to an overall meeting's success, Simple Meetings puts the power of choice in your hands. It is an efficient tool that can not only provide meeting space but also sleeping rooms when needed. Users have the ability to source the right venue—no matter how standard or unique—to meet their meeting's needs. They have the power of choice without losing any insight into the data and reporting. An efficient, easy-to-use online tool, Simple Meetings can be configured to ensure compliance to your meeting and travel policies.
