

ACCURATE. COMPLIANT. CONVENIENT.

SECURE ONLINE REIMBURSEMENT PROCESS FOR
HCP'S AND OTHER NON-EMPLOYEES

EXPENSES MADE EASY

Non-employee reimbursements are challenging. It often includes licensing costs to use internal expense systems and a lot of time for manual submission, verification and reimbursement. **MeetingSource™ Expense** provides the attendee, from HCPs to speakers to VIPs, a straight-forward and secure means to submit expense data while giving you an elevated level of data accuracy and compliance confidence.

AUTOMATING REIMBURSEMENT

With Expense, not only are you compliance confident but your attendees are happy. A secure, intuitive tool, Expense is web-based and mobile friendly, making it convenient for users to upload their expenses as they incur them—at the end of each day or once they're back in the office. Capturing, verifying and reporting non-employee expense reimbursements is easier. On everyone.

COMPLIANCE

Determine acceptable expenses per meeting and attendee type

EFFICIENCY

Collect digitized expense detail during and after the meeting for quick disbursement

ATTENDEES

Import attendees easily from registration systems

APPROVAL

Configure expense approval for internal or external meeting stakeholders

REPORTING

Provide data extracts and compliance details on attendee expenses

MINIMAL TRAINING

Intuitive workflow ensures adoption
